

Signing in:

<https://lms.ebtt.org/>

Sign in with the account created and sent by e-mail from the e-learning platform. In case you have not received an e-mail from the platform, please check your spam folder. If you still cannot find the email, let us know (matej.kranjc@fe.uni-lj.si).

Navigating the platform:

After you have signed in, first select the EBTT 2020 course.

Here you will then be able to access: *Videoconference room, Core and invited lectures from previous EBTT, Materials for Online Practical Works and Final Exam* (you will not see it until the end of the workshop).

For each of Core lectures, you can send questions to the lecturers by clicking on Q&A link.

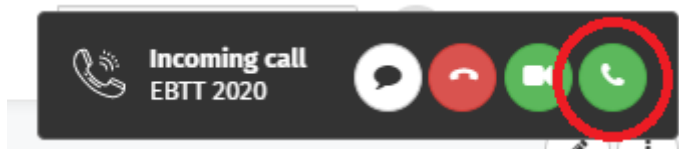

Attending an online lecture:

To attend an online session, click on the *Videoconference room* button.

A new web page will open on which you are able to join a videoconference by clicking a green handset button in the upper-right corner of the screen.

If you do not see the notification, the session has not yet been open for attendees.

When a live session will start, you are able to turn on/off your camera, microphone (please have your microphone turned off during the lecture), raise a hand for a question and share the screen in case you are giving the lecture.
